Plume Astrale

Personal birth-chart readings
you can keep

Symbolic self-reflection

Book design concept

The user problem

A personal reading needs context

01 Birth-chart symbols can be difficult to interpret

02 A long report needs a clear reading path

03 People need an output they can revisit

The product journey

A guided reading

01 Enter the birth details

02 Explore the chart and its interpretation

03 Keep the report as a PDF

Illustrative layout

Built with Emergent

A connected application

01 Application interface and user journey

02 Astrology data and AI-assisted text

03 Payment and report-delivery workflows

Business model

Paid readings first

01 Personal reports purchased individually

02 A credit system for eligible services

03 Book and gift editions as a next step

The next milestone

A reliable book experience

Consistent report quality

A validated print sample

A small gift-product pilot

Gift stories: concept stage
